

DYNOMAX TRUCK STAXX™ UNIVERSAL SYSTEM

DynoMax has taken the guesswork out of fabricating and converting a heavy-duty truck exhaust system.

The DynoMax Truck Staxx kit enables light-truck owners to convert their existing exhaust outlet using two upright stacks located behind the passenger compartment. Available with either a 4" straight or angled outlet.

Each DynoMax Truck Staxx kit includes stacks reducers, elbows and hardware for a complete installation. A 4" splitter tee is available separately to adapt dual stacks to single exhaust applications. Rain caps are available separately for straight stacks.

KIT #89303

Part No.	Quantity	Description
29408	2	4" ID x 48" Angle-cut Stack
41630	2	4" ID / OD 90° Elbow
41988	2	4" OD x 3" ID x 6" Adapter
35337	2	Bracket, Frame Mount
35530	2	Bracket, Stack Mount
35776	2	4" U-bolt Clamp, Chrome
35752	2	4" U-bolt Clamp, Plain
