

**17374**

Installing a high performance exhaust system has never been easier. These new direct fit systems have been designed to follow OEM routing and mounting points exactly. You don't have to cut or weld brackets and pipes to muffler bodies.

Now you can "bolt-on" a complete DynoMax high performance system — featuring the power boosting Super Turbo Muffler.

**DODGE RAM — 2 WD/4 WD**  
Brushed Stainless Steel Spouts

- KIT CONTAINS:**
- (2) 17748 MUFFLERS
